

simply **IPSO**<sup>®</sup>

On-Premises Laundry

**IPD 120 - 170 lb Tumblers**

*On-premises laundries face enough daily challenges, wrestling with complicated, inefficient equipment shouldn't be one of them. IPSO's IPD 120 and 170 lb tumblers combine an ultra-efficient design with a user-friendly microprocessor control that streamlines the laundry process. Our goal is building equipment that's simple to own and even more simple to operate.*

## **Simplifying Ownership**

**EFFICIENT DRYING.** IPSO tumblers perfectly balance heat, airflow and cylinder design, which translates into the most efficient drying process. That means utility costs are kept low.

**TIME SAVINGS.** A large, self-cleaning lint screen means less cleaning and ensures efficient operation. Self-adjusting belts save time and reduce maintenance costs.

**IMPROVED PRODUCTIVITY.** A reversing cylinder helps prevent tangles in large loads. Sheets and blankets emerge dry and staff doesn't have to spend valuable time untangling knots. In addition, a large door opening helps make loading and unloading far less time consuming.

**LARGE CAPACITY.** While many laundries experience bottlenecks in the drying process, the large 120 and 170 lb capacity of IPD tumblers combined with their efficiency keep your laundry's productivity at its highest level.

**PEACE OF MIND.** Our commitment to you comes with a 3-year parts warranty.

**SIMPLE CONTROLS.** The microprocessor control is easy to train staff to operate and offers five preset drying cycles for greater operating ease. It also delivers flexibility with simple customization of cycles.

**RUGGED CONSTRUCTION.** Tumblers in on-premises laundries receive their share of heavy-use abuse. IPSO's rugged design and heavy-duty door and hinge can take whatever your staff dishes out.

**THE BOTTOM LINE.** Because of their size, efficiency and simple controls, IPSO IPD 120 and 170 lb drying tumblers will have the ultimate impact on your laundry's productivity and bottom line. Put simply, IPSO gets results.

IPD120 - 120 lb Tumbler\*  
IPD170 - 170 lb Tumbler\*

\* IPSO also offers 25, 30, 35, 50, 75 lb Single Tumblers and 30 and 45 lb Stack Tumblers

# IPD 120 - 170 lb Tumbler Specifications

	IPD120	IPD170		
Capacity - lb (kg)	120 (54)	170 (77)		
Height - in (mm)	85 3/4" (2177)	94" (2388)		
Width - in (mm)	46 3/8" (1178)	53 1/8" (1349)		
Depth - in (mm)	68" (1725)	68 7/8" (1749)		
Net Weight - lb (kg)	1375 (624)	1675 (760)		
Shipping Weight - lb (kg)	1446 (656)	1776 (806)		
Cylinder Dimensions				
Diameter - in (mm)	44" (1118)	50 3/4" (1289)		
Depth - in (mm)	41" (1041)	42 1/2" (1080)		
Volume - cu.ft. (liter)	36.1 (1021)	49.7 (1408)		
Airflow - cfm (liters/sec.)	1600 (755)	2450 (1156)		
Exhaust Duct - in (mm)	10" (120)	12" (170)
